

Cleaning for a Safer Environment

Wax & Finish Remover

REMOVEDOR DE CERA Y ACABADOS

PRODUCT DESCRIPTION

When used as directed, this product is a high performance, ultra low odor, low toxicity, non-corrosive, butyl free, ammonia free wax and finish remover. It has been specially designed to remove environmentally preferable zinc free floor finishes like ENVIRO PATROL Metal Free Floor Finish. This product is a highly concentrated rapid response stripper that dissolves multiple coats of finish without the strong and unpleasant odor associated with conventional strippers. This product rinses quickly without leaving residual alkali to interfere with finish application. ENVIRO PATROL Wax and Finish Remover has been **3rd party certified by Green Seal™** according to **GS-40 Standard**.

FEATURES & RELATED BENEFITS

Ultra low odor - Pleasant to use
Rapid emulsification - Reduces labor
Works in cold water - Economical
Low foaming - User friendly

AREAS OF USE

ENVIRO PATROL Wax & Finish Remover can be used on all floors except linoleum, unsealed wood and cork. This fast acting, low odor product quickly penetrates and completely liquefies multiple layers of floor finish, wax and water based seals. Its low odor qualities makes it a preferable product for health care, hospitals, nursing homes and school facilities.

DIRECTIONS FOR USE

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Mix according to dilution chart and depending upon the buildup conditions.
2. Apply solution liberally to the floor.
3. Keep floor wet for 5-10 minutes to allow stripper time to work.
4. Machine scrub with a stripper pad and floor machine or autoscrubber.
5. Pick up with wet vac or autoscrubber.
6. Pick up stripping residues with clean water and a damp mop.
7. Let floor dry thoroughly.
8. Apply a new foundation of ENVIRO PATROL Metal Free Floor Finish.

See label for other DIRECTIONS FOR USE.

DILUTION CHART

DILUTE 1:6

SPECIFICATION DATA

Available Sizes - 4/1G, 5G, 55G
Physical State - Liquid
Color - Clear
Fragrance - Earthy
pH - 11.2
VOC's - 1.2%
Foam Level - Low
Shelf Life - 1 year in original unopened containers

This product meets the Green Seal™ Standard for Floor-Care Products for Industrial and Institutional Use, GS-40, based on its reduced human and aquatic toxicity and reduced smog production potential.
