

# Automotive Care

Designed for use on auto interiors, this product revitalizes rubber, vinyl, plastic, acrylics, metal, or leather. Preserve and protect surfaces by adding back lost moisture to surfaces. This product contains a unique blend of silicone and humectants that replenish moisture. Additional surfaces include fiberglass awnings and boats, furniture, vinyl or leather carrying cases, luggage, artificial plants, shoes, golf bags, golf clubs and more.

Features	-	Related Benefits
