Luxurious skin cleansing properties and refreshing lather are combined to provide the ultimate, total hair and body cleaner. This unique, mild, personal care formula gently cleans from head to toe without drying skin or leaving a greasy feel. This product rises completely with no soap films or residues. It is a pH balanced, no tears formula. It lathers to an excellent flash foam, even in hard water, yet rinses easily leaving the skin feeling clean and refreshed. The pink pearlescent formula with a country-fresh floral fragrance is appealing to everyone. Its added emollients keep skin soft without leaving a sticky residue often associated with other types of skin cleaners.
